In addition to the coach's section any DTBC coach involved in National Team, RPC/RDP staff must:

In addition to the coach's section, the DTBC AASE institution staff must:

- Share best practice with other AASE institutions to ensure a consistent approach for all AASE athletes;
- Never use their position to attempt to recruit players to any basketball club. 'Player poaching' is a serious offence for any AASE staff member; For the sake of clarity, if an AASE coach sends emails or letters to parents highlighting their individual credentials in attempt to sway a parent or player to move to their programme, this would be poor practice. If the school sent a letter or email to prospective players parents which included the individual credentials of their coaching staff, this would be good practice. (this means a coach emailing from their school email address, signed as member of the staff at the school.) It is recognised that AASE programmes and coaches will 'recruit' during the academic year and during academic

'open houses' and 'taster' days which will coincide with seasonal registrations and play. Basketball England does not govern the educational choices of a parent for their child. If a parent chooses to approach an AASE academy or coach at any time with a view to moving their child for the best academic and sporting education this should be allowed and accepted.

- AASE coaches should never directly approach children under the age of 18 with a view to recruitment without following the protocols listed in Section 5, unless this falls into the recognised category of academic 'open' days or 'taster' days where discussions with children are done in a formal, academic event or setting.
- AASE coaches are reminded that under DTBC Child welfare/Safeguarding Policies that they should not accept or add friends to their personal social media pages or send electronic or social media messages to children under the age of 18. For further information Basketball England provides Electronic Communication Guidance, Social Media Policy and Social Media Guidance for managed group pages and AASE staff should refer to this guidance at all times. The documents can be downloaded here <https://www.basketballengland.co.uk/about-be/policies/Guidance-and-templates>

4. APPROACHING PLAYERS ALREADY REGISTERED WITH ANOTHER CLUB/ACADEMY/ INSTITUTION

'Player poaching' is a serious offence. It is poor practice to make direct contact with any player currently registered with another club/academy/institution with a view to them joining your club/academy/institution or to play for you in another tournament/competition, including representative teams. another club with a view to leaving their current club; that club, coach or player should cease all further communications immediately and direct the player or parent/guardian to provide a formal request for a transfer in writing to their current club as per current Basketball England Regulations.

14. ANTI-BRIBERY (ALL MEMBERS OF DTBC & BASKETBALL ENGLAND)

All staff and members of DTBC must ensure their behaviour is not misconstrued or open to allegations of favouritism, misconduct, impropriety or bribery.

The Anti-Bribery Act consolidates the common law and UK bribery related legislation into two general offences:

Bribing: It is an offence to offer, promise or give a financial or other advantage for the purpose

of bringing about an improper performance of a function or activity.

Being bribed: It is an offence to request, agree to or receive a financial or other advantage for the purpose of bringing about an improper performance of a function or activity or to request, agree to or receive a reward for having done so.

“Improper performance” is one which is in breach of an expectation of good faith or impartiality, or is in breach of a position of trust. The test of whether an activity has been performed improperly is what a reasonable person in the UK would expect in relation to the activity. If the activity takes place overseas, then any local customs are disregarded unless permitted by the country’s written law. In each case, it is the intention to bring about the improper performance that is the key to the offence.

14. POSSIBLE SANCTIONS

In affiliating or licensing with Basketball England, DTBC agrees to abide by this Code of Ethics and Conduct and all of Basketball England’s policies and procedures. Basketball England therefore has the right to investigate and take disciplinary action against any alleged or suspected breach of this Code of Ethics and Conduct and any breach which may bring the game of basketball into disrepute.

The following sanctions may be imposed at the discretion of Basketball England on any individual or club/academy/institution/team/coach/player. Sanctions may be used in combination where deemed appropriate and where there has been a repeat offense: A warning; a fine; forfeiture of game(s); temporary, permanent or indefinite suspension; removal from post; ban from participating or attending any match under the jurisdiction of Basketball England.
